New Delhi-110011, Dated the 20

D.O No. 15/19/2020-SBM-1

Date: 23rdNovember 2020

Dear Mission Directors,

I hope your cities' preparations for participating in the Safaimitra Suraksha Challenge have begun in full swing.

2. In order to bring in a sense of pride around this initiative, and to reinforce our appreciation for our Safaimitras, we propose that there should be a **standard uniform of the same design** worn by all **Safaimitras**(specifically - those who are required to enter Sewers and septic tanks for cleaning, and those who operate the sewer and septic tank cleaning machines) across the country, carrying the logo of the Safaimitra Suraksha Challenge. Such a uniform would not only make Safaimitras easily identifiable but also inculcate a sense of respect among citizens towards Safaimitras.

3. Towards this end, we would like to invite all States / UTs / participating cities to send us **design options for these uniforms**. You may reach out to your local design institutes, fashion designers, artists etc. to source innovative and attractive designs.

4. You may send in your uniform design submissions **latest by 5th December 2020**, to the undersigned, also marking a copy to sbmurban.moud@gmail.com. The winning entry will be chosen by MoHUA, and the same would be immediately communicated to all States / UTs / Cities for the uniforms to be made and distributed among all Safaimitras. The winning State / UT / City whose design is selected would be felicitated during the award ceremony on 15th August 2021.

5. Accordingly, requesting all of you to put on your thinking caps and send us innovative designs within the stipulated time frame, so that this Challenge evolves into an initiative of pride and appreciation for all of us.

With regards,

Yours Sincerely,

N C Agarwal

(NAVEEN KUMAR AGARWAL)
